Kings Road, Bedfordview

WELCOME BACK!

Our first cub meeting will be:

23 January 2015 13h30 – 15h00

We are looking forward to lots of fun and personal growth within the cub group this year

In Term 3 of 2014 Cubs worked towards their Silver / Gold Community Challenge. The following boys were awarded with:

Silver Community Challenge: Dylan Odgers, Brogan McEwan, Adam Vauball-Rott, Jake Riccardi, Byron Sikiotis, Matthew Williams, Priyesh Lal Berharie, Keagan Prigge and Connor Odgers

Silver Outdoor Challenge: Dylan Odgers and Brogan McEwan

Silver Aptitude Challenge: Dylan Odgers and Brogan McEwan

Reminder Silver Wolves (Age 7 & 8): Lots of Cubs still need to hand in their diary of good turns for 1 week and their letter from parents confirming that they have kept their room tidy for 1 month.... This could be the only item outstanding for your challenge completion!

Reminder Gold Wolves (Age 9 & 10): Due to 'end of the year' activities we were unable to complete everything for community challenge, but we will ensure it is first on the agenda for the year. Please remember to complete and hand in your: 1. Community Information and 2. Your letter to confirm your 3 months challenge (a different challenge for each month over 3 months!)

Interest Badges

Cubs can learn and do additional tasks in areas that interest them to attain an interest badge. The requirements for each badge are available in book form from the scout shop, or you can download it from the following link:

<http://www.scouting.org.za/library/cubtrail/CubInterestBadges.pdf>

We are currently putting together a list of "Interest Badge Testers" for your convenience. In the meantime, should your son have achieved all requirements for a badge, please send us a letter or record in his cub book with exactly what he has done and if possible, send/include a photo/objects created to next cub session. Badges will be awarded (If all requirements are met) as soon as possible, but not always immediately due to logistics.
