Year End Party

Last Term we focused on the Aptitude and Community Challenge, and will continue with these this term!

Term 2 2017 Report

This term flew past with many activities! Kontiki Beaver Challenge was rained out and postponed to the 10 June. 17 cubs from our pack attended the event!

1st Edenvale Pack hosted a knotting board workshop for cubs working towards their Leaping Wolf.

We visited Thembalami Centre in Linbro Park on the 14th July. The cubs spent a wonderful afternoon playing board games and tea with the residents. Many thanks to all the volunteers who helped with transport and the visit.

We ended the term with a wonderful Hike at Suikerbosrand. The ten year cubs completed a 10km hike – Well done! Everyone else completed the smaller 4km hike and we enjoyed a little braai after the hike.

We also completed most of the requirements for the “Repairs” Interest Badge, for gold wolves and “Handcraft” for the silver wolves.

Please remember to log on to “Scouts Digital” to update personal information and view cub advancement
