

1st St Benedicts Cubs

Kings Road, Bedfordview

Well done to the following cubs who have completed the following Challenge Badges this term:

Silver Wolf Community Challenge: Matthew Carter, Cade Opie

Silver Wolf Challenge: Gabriel Philips, Okuhle Ntantiso, Matteo Ribeiro

Term 2 2026

We have a busy term planned! Please refer to the term planner for details and save the dates!

This term we will continue to focus on the Outdoor Challenge badge. We also plan to run a few workshops for Leaping Wolf Candidates

There are many regional and district events planned for the whole year. We encourage the cubs to attend as many as possible as the offer interaction with other cubs, and opportunities to do things we cannot do in our normal programme. These include the Beaver Challenge, Regional Cub Fun Day.

We (St Benedict's Pack) will be hosting the Night Hike this Year and our annual camp is planned for 26-28 Jun. (Please note that the camp is generally for Gr3 – Gr5. However, Gr 2s may join the camp if a parent volunteers at the camp for the weekend

Term 1 2026 Report

This term we have been working on the Outdoor Challenge. This is a large challenge and will take us 2 terms to complete - Well done to all the cubs for their hard work! So far!

Before the start of term, our older cubs attended an Outdoorsman camp, where they built their own shelters, cooked all their own food and had mountains of fun!

BP Sunday was hosted by 1st Hellenic Group in February. We had fun walking in the parade!

On the 7th of March cubs around the district attended the Thembalami Garden Project and made rain Gauges

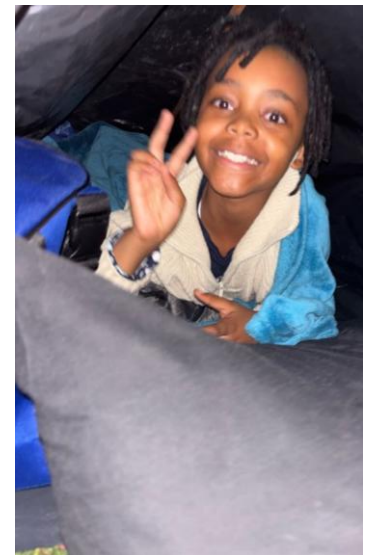

St Benedict's Cubs hosted a Swimmer & Aquanaut Testing session on the 14 March. 25 Cubs and brownies around the district attended.

On the 27th of March our cubs visited Huddle Park for a Nature ramble and Easter egg hunt

On the 2 April Our Sixers and Seconds enjoyed a Sixer Council meeting with Team building Ten Pin Bowling and Milkshakes to end the term

ADULT TRAINING OPPORTUNITIES

Scouting is often seen as something just for young people, but it offers just as much opportunity for growth and adventure for adults too. Whether you're looking to learn new skills, build confidence, or simply get more involved in your child's journey, there are a variety of training courses available for our adult volunteers. These range from practical skills like First Aid and Flat-Water Charge, to understanding Committee roles, and even introductory courses for those curious about becoming a Scouter. Getting involved in training doesn't mean you're signing up to wear a uniform full-time—it simply means you're willing to lend a hand and grow alongside our Cubs when you can. If you're interested in any of the upcoming courses, please let us know—we'd love to have you join us!
